

The First Name in Brakes

Brake Pads

Ferodo Premier commercial-vehicle (CV) pads are made from OE-quality materials designed specifically

- Optimize the performance of the entire braking system
- Deliver the ultimate in stopping power, reliability and safety
- Feature a minimum bedding-in period
- Offer extended life and reduced disc wear

Brake Discs

Ferodo commercial-vehicle (CV) discs are manufactured to original equipment specifications and offer the following benefits:

- Precision machining for optimum performance
- Minimum brake noise
- Shudder- (judder-) free operation
- Latest pillar venting and offset pillar venting designs for improved heat dissipation
- Extensive range with 95 percent European vehicle parc coverage

Brake Cylinders

The great experience in braking systems and collaboration with major car manufacturers allowed Ferodo to develop a range of brake cylinders that meet the requirements of commercial vehicles.

Brake Pumps

All components used in the Ferodo brake pumps are manufactured to meet the specifications of original

ferodo, brake lining, brake pads, brake discs, brake pads, brake shoes, brake disks, pads, brake pads, brake pumps, drive, car parts, car brakes, spare parts, parts, automotive components, automobile parts, mechanical parts, body parts, auto parts, spare parts, fiat, alfa romeo, bmw, car accessories, car parts, Calabria, Sicily, Reggio Calabria, Messina, palmi, Saffioti, supplier, wholesale
